In the world of film and television, Greene County has been a hotbed of activity in the last few months.

Most recently, film crews have been swarming Main Street in Catskill, shooting the independent crime drama "Meskada," starring Nick Stahl (Bully, Terminator 3, HBO's Carnivale) and Rachel Nichols (Star Trek, G.I. Joe: The Rise of Cobra, ABC's Alias).

While "Meskada" is still actively shooting around the area until early July, additional film crews will be their contemporaries in the Cairo and Durham areas.
