September 8, 2010 | 10:37 am

Katie Holmes and **Tom Cruise** shared the love at the premiere of her new film, "The Romantics," Tuesday night in New York, kicking it casual with eyes only for each other.

And why not? This is the same woman who earlier in the day **informed** the world, "My husband has red roses for me everywhere I go."

Costars **Josh Duhamel**, **Malin Akerman**, **Jeremy Strong**, **Adam Brody** and **Elijah Wood** made the scene as well.

Anna Paquin stars opposite Holmes in the romantic drama, which revolves around close friends gathering for a wedding. Click the picture of the guys at right to launch **a photo gallery of arrivals from the screening.**
